1. The "buzz" is on, and it isn't a saw; it's about everyone a'talking bout these words and what they mean, what they say their source is; that the source can be no other than a "god" to manifest such word'eth'ing words that sorrownot the beholder of/beholders of, these, this document, that sorrows not its founder now; his family whole, healed; healers all; manifest now. I declare/I've declared it so. This evening, that so cataclysmic is, to "faith" healers and "healers" of ALL professions, recognizing now MY faith; in my "opponent" 's blessing, not; but my who loves me bringing my "potion/portion" not; but my fullness to all.
